Clubs score their best 8 events.

Team scoring will be based on up to 5 club members with the highest age-grade scores. For 4 or 5 runners to score, at least 1 must be female. (All scoring runners may be female.)

MOR RRR = Composite Scoring for the 2 events held on June 7 permits clubs to score 2 teams. Composite team scores can be created from participants in both events. A maximum of 5 individuals from any one event can be used to create the composite scores. Green font for the score = more than one 5-person team score in these two races.

ROTH 8K PHIL MAR PHIL HALF = Composite club scoring for up to 15 finishers across the 3 events on 11/22 & 11/23. Important for club composite scoring - a maximum of 5 individuals from any one event can be used to create the composite scores.
Individuals participating in more than one event may score for a team only once per composite score.

See the Club Challenge Rules and Final Club Challenge Standings for additional scoring details.
